

Introductory Astronomy Course for Members

I will be running an introductory astronomy course for beginners,
over 9 one hour sessions on Zoom.

The course will cover the following:

History of Astronomy (5th Sept)
The Solar System (12th Sept)
Earth Based Phenomena (26th Sept)
The Big Bang (3rd Oct)
Exo-Planets and Life (17th Oct)
Telescopes (31st Oct)
Radio Astronomy (7th Nov)
Exploring the Solar System (21st Nov)
Practical Astronomy (28th Nov)

Subject to numbers, the course will start on
Tuesday 5th September at 19:00

Please register via email to treasurer@oasi.org.uk
